

## SIMPLE FOR YOUR PATIENTS. FREE FOR YOU TO EMBED.

Our videos help patients to understand eye care topics in a relatable, plain-speaking voice. With both new and existing lens wearers in mind, we explain common refractive errors, proper lens care, how to put on contacts, and the latest ACUVUE® Brand technologies.

### HOW-TO'S

Putting on and taking off contact lenses, and complying with wear schedules.

### TECHNOLOGIES

Innovations in UV protection, materials, and lens designs for common vision problems like astigmatism or presbyopia.

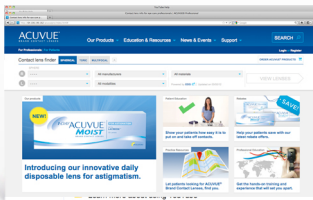

### TESTIMONIALS

First-hand stories from real teens and parents about making the switch to contact lenses.

EMBEDDING THE VIDEOS ON YOUR WEBSITE FROM YOUTUBE® ONLY TAKES A MOMENT, AND IT IS ENTIRELY FREE.
